

Washington Regional Nursing Research Consortium (WRNRC) Educational Offering

Videocast from the

***National Institutes of Health,
Clinical Center Nursing Department***

***Tuesday February 16, 2021
2:00pm-3:30pm***

<https://videocast.nih.gov/watch=41440>

“Know thy self- Nurses striving to understand each other”. Nurse researchers discuss findings from a Nurses and Fatigue study, highlighting the importance of recovery; and a group of Nurse Leaders present how the death of George Floyd inspired them to take action and open a dialogue on equity, diversity and inclusion for all persons.

“Journeys into Nursing Research”

“Fatigue in Registered Nurses: The Importance of Recovery”

Alyson Ross, PhD, RN

And

“A Time to Talk, A Time to Listen, A Time for Action: The Formation of an Equity, Diversity, and Inclusion Committee”

Alexis Braxton, MSN, RN, CEN

Caroline Frazier, MS, RN

Cecelia Henry, MS, BSN, RN, CCRN

Clinical Center Nursing Department, National Institutes of Health
